Newsletter of the Green Mountain Club Sterling Section

It's Spring!

After a year like none other, we're excited to get back to what we do best: hike in the woods and dig in the mud! Check out this edition of the e-Stomper for the schedule of this summer's work trips. We are hoping to have some outings, too, so be sure to check the [GMC Outings Calendar](#) frequently for updates (which also has some COVID guidelines for section trips) . We hope you'll join at least one Sterling event and we'll see you on the trail!
